Assignment #3  **MOBILITY**

Make a short video where the movement of the camera is, for all intents, the text.

Limitations:
1) 1 to 3 minutes in length  
2) Start with 5 seconds of SILENT BLACK with your name superimposed over the last 3 seconds.  
3) **Camera MUST be moving. Camera movement MUST play a significant role in this video!**  
4) Must have MIXED audio.  
5) End with 3 Seconds of silent BLACK  
6) Export your finished piece as a DV-NTSC 720X480 movie with 480kHz, 16bit, stereo audio.  
7) Drop your exported clip in my drop box before class (it should be between 400 and 700 mb) labeled with your name and 3 and the word Mobility (Kent Maxwell 3 Mobility.mov).
